THE STORY SO FAR

Miu Sakurai is a 10th grade girl. She wants her admired Shion Amamiya to return her love, so she tries casting a magical charm. After doing this, the one who appears is Satan.
"The recompense for the contract to grant your wish is your virginity," she is told.

Before she knows it, Miu falls in love with Satan. One day, Amamiya confesses his love to Miu, and the provisions of the contract are met. Just as Satan tries to take the promised recompense, Amamiya comes rushing in. Amamiya's true form is that of the Archangel Michael. He tries desperately to persuade Miu, but Miu pledges her eternal love to Satan and offers up her virginity to him.

Then, Satan's former sex friend Seera appears before Miu in Hell, and she tries to rend Miu's relationship with Satan by harassing her. While she is hurt, Amamiya kisses Miu, and Satan witnesses it, so he says he will punish her by opening the Sabbat. However, without delivering punishment on Miu, Satan declares the dissolution of the Sabbat.

Miu feels Satan's sincere love, and...!?

EACH TIME I'M HELD TIGHTLY...
EACH TIME I'M GENTLY KISSED...

Hello!!
I'm Mayu Shinjou.

Thank you for always giving your support. This is the last volume of "Satanic Eros." Compared to Koi ♥ Fure, it really went by quickly, huh. I'm glad I could draw the Bevel. By the way, I just finished drawing the third part of the new serialization, "Supreme King's ♥ Mistress." The kanji are read as "Hesu ♥ Airen." The story is set in Hong Kong. Please give it the same support you've given "Satanic Eros."

Now then, now then, recent status..... Ugh... As usual, if I say anything, it will be absurd cuz. Every day is enjoyably full, so I could say there is no change from always. I have no worries. Oh, that's right, that's right. Lately Aya Matsuo-chan likes to say "Ayaya." I bought an album, and she's just cute cute. Recently I've been listening only to female artists. In addition, the idol system. [Note: Japan goes through idols like Kleenex.] But I swear, when I look at the ranking each week, the amount of people who have me asking "Who are they!?" increases, and then I think "I'm getting old, huh."

Also, recently, I've been careless somehow...and I'm falling behind in my work. (explode) I'm going to be late for my deadline!! (Probably... ◡) It's not that I mean to be truant, but the draft drawings were late, and then the ink art became late!! I wonder what the heck happened. Blandly, I grew accustomed to the work and became faster, but... ◡
